The Public Utilities Commission (PUC) donates \$5,000 to St. John's Cathedral Soup Kitchen Program

A cheque for \$5,000 was presented to St. John's Cathedral Soup Kitchen, on Wednesday, November 16, 2022, Belize City.

The donation is aimed to assist the Soup Kitchen which provides warm and nutritious meals, every Tuesday, to 150+ deserving Belize City residents from vulnerable households and students from neighboring schools.

PUC's Director of Operations and Communications, Mrs. Suzette Tillett, says the donation will contribute significantly to facilitate the church's weekly Soup Kitchen feeding program.

"The Soup Kitchen is doing a commendable job at providing meals to those who are in need. They are not only providing a delicious cup of soup every week; but also providing hope to the community."

She adds, the initiative is a testament of the PUC's commitment to impact the lives of Belizeans towards national development.
