## **PUC ISSUES INITIAL DECISION ON BEL'S ARP 2023 AMENDMENT SUBMISSION**

The Public Utilities Commission (PUC) hereby notifies the public that on December 10, 2023, Belize Electricity Limited (BEL) made a submission for an amendment to the Final Decision of the 2023 Annual Review Proceedings (ARP).

The submission provides for no amendments to be levied to the tariffs, fees, and charges for electricity services for the period January 1, 2024 to June 30, 2024.

On December 29, 2023, PUC issued its Initial Decision to BEL's ARP 2023 amendment, which can be viewed at [www.puc.bz](http://www.puc.bz) or at our office located at Marina Towers, New Town Barracks in Belize City.

Written comments from the public are welcomed and can be submitted via email to [info@puc.bz](mailto:info@puc.bz), mailed to PO Box 300, Belize City, or hand delivered to our office.

The deadline for submission of comments is January 9, 2024.
