FINAL REPORT FROM INDEPENDENT EXPERT REVIEW PUC'S INITIAL DECISION ON BEL'S 2024 FULL TARIFF REVIEW PROCEEDINGS

On June 29, 2024, the Public Utilities Commission (PUC) issued an Initial Decision on the FTRP for the determination of Regulated Values and Tariffs, Fees and Charges, and a Mean Electricity Rate (MER) for Belize Electricity Limited (BEL) for the Full Tariff Period (FTP) of November 1, 2024 to June 30, 2028, (the “**Initial Decision**”).

On July 23, 2024, BEL filed an **Objection** to the Initial Decision which triggered the appointment of Dr. Rajendra Addepallis, as the Independent Expert to review and consider the Initial Decision and the merits of BEL's objection.

Dr. Addepallis has issued his final report and the PUC invites interested parties to submit their comments via email to info@puc.bz, no later than September 26, 2024.

The final report from the independent expert may be viewed in its entirety on our website at www.puc.bz.
