

# SCA's Volleyball Legacy: A Triumph of Dedication, Discipline, and Heart

November 7, 2024 - The legacy of Saint Catherine Academy's (SCA) volleyball team captures the essence of what it means to excel through persistence and passion. With their recent 30th consecutive championship in the Central Secondary Schools Sports Association (CSSSA) Girls Volleyball Championship, SCA's formidable team shows no signs of slowing down. "We see the hard work, the countless hours of practice," remarked Mrs. Salome Tillett, Principal of SCA. "The pain, the ache, the discipline and commitment of our athletes—that is truly what we are here to celebrate today."

Since 1993, SCA has held a dominant position in girls' volleyball, establishing a winning streak that is unmatched in Belize. This weekend, they set their sights on a 21st consecutive National Volleyball Championship in Orange Walk, ready to challenge and be challenged. Their recent victory over Belize High School (3-1) was more than just a win—it was another chapter in a history that has inspired generations.

Much of SCA's success stems from a culture that prioritizes both skill and character. Akili Jones, team captain and MVP, echoed this sentiment, saying, "Representing Belize at this level and carrying SCA's legacy forward isn't just about wins. It is about showing the world our standards and character. We are competitive, yes—but respectful. That's the SCA way."

Behind every great team are the stories that extend beyond the court. Co-captain Emma Solano shared, "Being on this team goes beyond the court. It's taught us life skills and discipline, resilience, and teamwork." These values have been upheld by coaches and mentors who have nurtured the team over the years, with special recognition going to figures like Ms. Lupita Qwan and her family, who have dedicated themselves to volleyball's growth.
