

PUC Propose to Grant an Individual Licence to Belize Telemedia Limited

In exercise of the powers conferred upon it by the Belize Telecommunications Act, Chapter 229 of the Laws of Belize, and the Telecommunications (Licensing Classification, Authorization, and Fee Structure), Regulations, Revised Edition 2020, as amended, and all other powers thereunto enabling, the Public Utilities Commission (hereinafter referred to as "**the Commission**") hereby gives Notice this 2nd day, of December 2024, that the Commission proposes to grant an **Individual Licence** to **Belize Telemedia Limited (BTL)**.

Reasons for the Proposed Individual Licence:

The Commission proposes to grant the Licence to BTL:

- in order to continue to encourage a competitive environment leading to better services and lower prices for consumers;
- to provide for the enhancement of geographical coverage of telecommunications services, in particular in unserved and underserved areas; and
- to foster innovation and the adoption of new technologies in the telecommunications sector.

Representations and Objections:

The Commission is inviting written representations and/or objections with respect to the proposed Licence from the public by 4:30 p.m. on Friday, December 16, 2024.

Representations and Objections may be made:

- a) In writing and delivered to the Commission at:

Public Utilities Commission
2nd Floor Marina Towers
New Town Barracks
Belize City, Belize

Or,

- b) By email to the PUC at telecom@puc.bz

Viewing of Application for Individual Licence:

Members of the public and all other interested parties may view the application at <https://www.puc.bz/belize-telemedia-limited-individual-class-licence-application/>
