BEL Requests Amendment to the Annual Review Proceedings (ARP) 2025 Final Decision

The Public Utilities Commission (PUC) hereby informs the public that it has received a submission from Belize Electricity Limited (BEL) seeking an adjustment of the Mean Electricity Rate (MER) by \$0.0555 per kWh equivalent to a 13.9% increase. The requested amendment to the tariffs would be for the period January 1, 2026 to June 30, 2026 and according to BEL, will address increased cost incurred in supplying energy to Belize.

The PUC will review BEL's application in accordance with the process prescribed in the Electricity (Tariffs, Fees and Charges) Byelaws and issue its Decision on or before December 15, 2025.

BEL's submission is available for viewing at www.puc.bz .
