

Public Notice

Issued: May 7, 2026

PUC Proposes to Grant Electricity Licence to Belize Electricity Limited

In accordance with ELECTRICITY LICENSING AND CONSENT REGULATIONS, 2026, the Public Utilities Commission (**the "Commission"**) hereby gives notice to the general public of its intention to grant the following Electricity Licences to the applicant:

Licence Category	Licence Type	Applicant
Licence to a Particular Person	1) Network and Retail	Belize Electricity Limited 2.5 Miles Philip Goldson Highway
	2) Sole-source IPP	Belize City, Belize

Reason for Proposal to Grant the Electricity Licence:

Network and Retail – to authorise the transmission, distribution, and supply of electricity within the authorised area.

Sole-source IPP – to authorise the applicant's existing electricity generation activities under a sole-source procurement arrangement.

Representations and Objections:

Directly affected parties and local authorities may submit **written representations and/or objections**, with respect to the proposed Grant, by **4:00 p.m. on Thursday, May 21, 2026** to electricity@puc.bz, or hand deliver at our office located on the 2nd Floor of Marina Towers in Belize City.
